# Blessings in a Backpack<sup>®</sup>

*Feeding The Future Of America*

#### BLESSINGS IN A BACKPACK OVERVIEW

- Blessings in a Backpack is a "neighbor-helping-neighbor" program that is designed to help meet the nutritional needs of children and families.
- Each week, volunteers distribute backpacks filled with non-perishable food for the weekend (six meals) to "at-risk" students.
- While it seems unlikely the children in an affluent county like Oakland would go to bed hungry on weekends, in reality, 14.3% of South Lyon students are at risk. South Lyon has 1,180 children who qualify for this program.
- The goal of the Blessings in a Backpack program is to keep these students from going hungry on the weekends and remove barriers to academic success.
- The South Lyon program is currently serving all 8 elementary schools, both middle schools and are striving to serve both high schools. We serve approximately 275 children.

#### BENEFITS OF THE PROGRAM

- Research shows that healthy, well-nourished children learn better, are more likely to attend school and are able to take advantage of educational opportunities.
- This program is making a difference in the lives of children. Results we have seen are:

Test Scores Improved	45-54%
Increased Attendance	23-48%
Greater Attention Spans	25-35%
Improved Class Atmosphere	35-44%

#### SPONSOR A BACKPACK

- We are able to purchase food at a reduced rate. Your tax deductible donation of \$100 will provide a backpack and food to one child each weekend for an entire school year!
