

## BIB's Leveraging Community Partnerships and Resources Panel

Facilitator Questions examples:

### For Kari, Superintendent

- What are you looking for in a potential outside organization partnering with your school?
- What outcome would you like to see through the partnership?
- What are your expectations of an outside organization partnering with you?
- Who do you recommend that our volunteers reach out to, to introduce BIB? i.e. Superintendent, Principal
- Who is typically your liaison with the school community?

### For Katie, Urban Alliance

- What are creative ways that our volunteers could work with universities, from getting marketing help, to hosting fundraisers and beyond?
- What are your expectations of an outside organization partnering with you?
- What is the best suggested method, and whom should our volunteers reach out at a university/college to get help for their programs?
- Can you share a little bit about Urban Alliance, and how you work to place interns and what cities you are located in?
- What other creative ideas do you have for our volunteers, for them to get help in their respected communities?

### For John, Rotary

- How have you (Rotary) worked with BIB in the past?
- What are your expectations of an outside organization partnering with you?
- What is the best suggested method, and whom should our volunteers reach out at their local Rotary to get help for their programs?

### For Hermine, Blessings PC

- As a PC, what types of local organizations/partners have you successfully worked with in your community?
- When you work with local partners, what is the best approach to reach out to them, and what positions within in an organization have you had the most success?
- What types of support are you asking local support for i.e. grants, sponsors, volunteers? And how do you get that message out to the community?
