Walmart Community Grant Program Template

1. Go to: https://walmart.org/how-we-give/local-community-grants
2. Click on "Submit a Local Community Grant Application"
3. Scroll down, and click on "Community Grant Program"
4. Scroll down, and click "Apply Now"
5. Scroll down to the drop down menu box, and click, "Community Grant Program"

This will lead you to the eligibility quiz, the following are the instructions for the quiz:

1. **Does your organization and proposed program directly benefit the communities within the service area of the facility to which you plan to apply?**
   Yes

2. **Please select the option that best describes your organization:**
   Option 1

3. **Are you applying for funding for any of the organizations listed below?**
   None of the above

4. **Do you plan to request less than $250 from an individual facility?**
   No

Selecting the above answers to the questions, you will get a new screen that say's your organization is eligible to submit a grant, with a blue hyperlink that says "Community Grant Application"

You will need to login to the application or create a login if you do not already have one.

Once logged in, enter the zip code of your program and search for the nearest school and begin the application.

Select your contact information, if yours is not available create one for yourself.
