## BLESSINGS IN A BACKPACK

*Who will feed the kids this weekend?*

According to NCAA.com, the odds of having a perfect bracket is one in 128 billion. This March, make a wager that is sure to pay off and **#BeTheMVP** for a child who might otherwise go hungry. Our bracket includes ways that **you can provide the assist** to a child living with food insecurity.

**Instructions:** Select ONE winner from each match-up and continue playing until you bring home the win for children nationwide! Tag @blessingsinabackpack on social and tell the world how you're a hunger-free MVP for the next generation of all-stars.
